

POV STAGING AREA MAP & DIRECTIONS

VENETIAN EXPO & CONVENTION CENTER

The Venetian Expo & Convention Center has a limited amount of space for unloading Privately Owned Vehicles (POV's). In an effort to provide the most efficient service and to help alleviate problems or frustration associated with P.O.V. Services, Freeman has secured a lot (see map) for staging, checking in, processing paperwork and determining if vehicles are qualified for POV. Service. **Please note:** We anticipate that during peak periods wait time for this service can exceed 2-3 hours. We will do everything in our power to eliminate this wait time.

In addition to the limited amount of space available for unloading POV's, the parking for the Venetian Expo & Convention Center at the Venetian Hotel has very limited space for parking large vehicles including those pulling trailers. Please make arrangements prior to arriving in Las Vegas if you plan on bringing a vehicle and trailer.

IMPORTANT

POV service will require one person to remain with the vehicle at all times. If an exhibitor would like to go to the booth while the freight is being unloaded, Freeman will require an additional person to remove the vehicle.

All orders are governed by the Freeman Payment Policy and the Limits of Liability and Responsibility.
