

**SHIPPING LABEL INFORMATION**

Dear Exhibitor:

Included in this document are pre-printed shipping labels for the 2023 SHOT Show. These labels may be photocopied. Please ensure that you have placed at least one label on each piece that you will be sending. Five different labels have been included for your convenience. Please ensure that you use the appropriate label.

1. WAREHOUSE - Use this label if you prefer the convenience of not having to worry about your shipment arriving at a specific time. Your shipment can arrive at the warehouse as early as December 12, 2022, and be delivered to your booth in accordance with the Freight Target Schedule.

2. SHOW SITE DIRECT – Use this label only for Shipments arriving at The Venetian Expo between January 11, 2023 through January 16, 2023 based on the schedule in the Freight Target Floor plan. Check with your trucking company to see what their policy is about waiting times and weekend deliveries.

3. HANGING SIGNS - The label for “HANGING SIGNS” must only be used for the actual sign and not for any other booth material. Hanging Signs must be delivered no later than January 4, 2023 so that your sign can be pre-installed prior to your carpet and booth arrival.

4 & 5. SECURITY – The labels for Advance Security (Warehouse) and Direct Security (Show Site) must only be used on items that need to go into security storage and packed separately from rest of shipment. **This includes all firearms.**

Please pay particular attention to the deadline dates. Sending your shipments to meet these deadlines will save you money.
