

2027 EXHIBITOR RULES & REGULATIONS

The Shooting, Hunting, and Outdoor Trade ShowSM (SHOT Show[®]) is the largest and most comprehensive trade show for all professionals involved with the shooting sports, hunting and law enforcement industries. Owned by the National Shooting Sports Foundation[®] and managed by ConvExx, the SHOT Show provides a forum to view and promote the latest firearms, ammunition, law enforcement, cutlery, outdoor apparel, optics, and related products and services, and where attendees can exchange information and learn about issues affecting industry and their businesses.

1. DEFINITIONS

NSSF and ConvExx are hereinafter referred to as “Show Management.”

“Exhibitor” means the company named on the SHOT Show or SHOT Show Supplier Showcase Exhibitor Application, Exhibitor License and its representatives. “Exhibitor Representatives” include the Exhibitor’s directors, officers, employees, contractors, volunteers, guests and any other individuals authorized to use Exhibitor’s name to gain admission into the Show.

The SHOT Show hereinafter shall be referred to as the “Show.” The Show consists of the area inside and outside the Show Facility (as defined in Section 2 below), including without limitation the leased grounds of the Facility, the Show’s exhibit halls, meeting rooms, designated parking lots, and air space, as well as venues of Show-sponsored events.

These Exhibitor Rules & Regulations, the Exhibition License Terms and Conditions (“License Terms”), the Exhibit Display Regulations, the Facility Rules, and other rules, regulations and policies governing the Show and Facility, in existence or as amended from time to time, are generally hereinafter referred to as “Rules and Regulations” and can be found on www.SHOTShow.org, or in the Exhibitor Resource Center (www.shotshowerc.com). These Rules and Regulations shall be applicable to all Exhibitor business activities relating to or affecting the Show wherever and whenever they may occur, the “Exhibitor Activities”).

2. LOCATION AND DATES

The site of the Show is The Venetian Expo, located at, 201 Sands Avenue, Las Vegas, NV 89169, and the Caesars Forum, located at, 3911 Koval lane, Las Vegas, NV 89109 (hereinafter referred to as, including any additional or substitute locations which may be added by Show Management, the “Facility”). The dates and hours are:

Exhibitor Move-In (Venetian):

1/12	Tuesday, Move-In, (Halls A, B, C, G only)	8:00 am – 6:00 pm
1/13	Wednesday, Move-In, (Halls A, B, C, G only)	8:00 am – 6:00 pm
1/14	Thursday, Move-in, (Halls A, B, C & G only)	8:00 am – 6:00 pm
1/15	Friday, Move-In (Halls A, B, C & G only)	8:00 am – 6:00 pm
1/16	Saturday, Move-In (Halls A, B, C & G only)	8:00 am – 6:00 pm
1/17	Sunday, Move-in, (Halls & meeting rooms)	8:00 am – 6:00 pm
1/18	Monday, Move-in, (Halls & meeting rooms)	7:00 am – 10:00 pm

Exhibitor Move-In (Caesars Forum):

1/16	Saturday, Move-In	1:00 pm – 6:00 pm
1/17	Sunday, Move-in	8:00 am – 6:00 pm
1/18	Monday, Move-in	8:00 am – 10:00 pm

Supplier Showcase Move-In (Palazzo Ballroom):

1/17	Sunday, Move-In	11:00 pm – 6:00 pm
1/18	Monday, Move-In	6:30 am – 8:30 am

**Approved Exhibitor Appointed Contractors may enter the hall at 7:00 a.m. each Move-In day.

**Exhibitors are issued “target times” for the arrival of show freight. See the Exhibitor Services Manual at www.shotshow.org/ERC for your assigned target time. Missing your target time may result in off-target fees.

Show Days:

1/19	Tuesday – Show Hours	8:30 am – 5:30 pm
1/20	Wednesday – Show Hours	8:30 am – 5:30 pm
1/21	Thursday – Show Hours	8:30 am – 5:30 pm
1/22	Friday – Show hours	8:30 am – 4:00 pm

Supplier Showcase Open Hours:

1/18	Monday	8:30 am – 4:30 pm
1/19	Tuesday	8:30 am – 4:00 pm

Exhibitors, Exhibitor Media, Manufacturer Reps and Approved Exhibitor Appointed Contractors are permitted to enter at 6:00 am on Tuesday and one hour prior to opening on all other Show days.

Exhibitor Move-Out (Venetian):

1/22	Friday, Move-out (All Halls)	5:00 pm – Midnight**
1/23	Saturday, Move-out (All Halls)	12:00 am – 5:00 pm
1/24	Sunday, Move-out (Halls A-C & G only)	8:00 am – 5:00 pm
1/25	Monday, Move-out (Halls A-C & G only)	8:00 am – 5:00 pm

Exhibitor Move-Out (Caesars Forum):

1/22	Friday, Move-out (All Halls)	4:00 pm – Midnight**
1/23	Saturday, Move-out (All Halls)	12:00 am – 5:00 pm

Supplier Move-Out (Palazzo Ballroom):

1/19	Tuesday	4:00 pm – 6:00 pm
------	---------	-------------------

****For security reasons, labor will not be permitted in the hall until 5:00pm after show closing on Friday.** Firearm crates will be returned first followed by cartons and containers, and then crates. Crate return starts at 5:00pm and is completed by 8:00am Saturday.

3. APPLICATION, FEES, PAYMENTS, CANCELLATIONS

- A. Exhibitor Application & Exhibition License.** To exhibit at the Show, companies must complete, sign and return an Exhibitor Application. The application includes the terms and conditions of a License to exhibit at the Show which should be reviewed carefully by the Exhibitor and its representatives. By signing the application, the Exhibitor is agreeing that it and its representatives will comply with all License terms and conditions (See Paragraph 3 of the License Terms).
- B. Approval to Exhibit.** All Exhibitor Applications are subject to review and approval by Show Management. Exhibits shall be limited to those companies or other entities offering materials, products, or services of specific interest to Show Attendees that directly pertain to the function and industry to which the Show relates. Management reserves the right to determine the appropriateness and/or eligibility of any product or services displayed or promoted. See Paragraphs 4 and 11 of the License Terms.
- C. Exhibit Fees.**
 - i. **General Show.** The cost for Exhibit Space is \$43.00 per net square foot. A \$1,000 per corner surcharge is applicable to all Exhibit Spaces (Corner = 1, Peninsula = 2, Island = 4)
 - ii. **Supplier Showcase.** The cost for a display space within the Supplier Showcase is \$5,750, plus an additional \$625 premium for corner booths.
- D. NSSF Member Discount.** NSSF Members are eligible to receive a discount on the cost of Exhibit Space. To qualify for the NSSF member discount, the Exhibitor must be an NSSF Patron, Supporting or Associate

Member in good standing. Deadline to become a member and receive member discount for the 2026 Show is August 1, 2026.

- i. **General Show.** NSSF Patron Members receive a \$10 per net square foot discount, and NSSF Supporting and Associate Members receive a \$5 per net square foot discount, not to exceed their most recent annualized Membership Dues, as of December 1, 2026.
 - ii. **Supplier Showcase.** NSSF Voting/Supporting/Associate members receive a \$500 discount off a Supplier Showcase display space.
- E. Payment Schedule.** In order to set up an exhibit at the Show, an Exhibitor must be fully paid on all money owed to NSSF including booth, sponsorship, advertising, and membership fees. Payments may be made by credit card, ACH, wire transfer, or check (in U.S. funds drawn on a U.S. bank only). Checks must be made payable to NSSF and mailed to National Shooting Sports Foundation, Dept. 3510 P.O. Box 4110, Woburn, MA, 01888-4110. Bank wires are permitted, and account information is provided by request from Show Management. If exhibit space is licensed after any of the listed dates, the amount corresponding to the most recently passed date is due at the time to secure participation. Unless otherwise agreed-upon by NSSF, in its sole discretion, payment terms are as follows:
- i. Initial Deposit, with application, of Twenty Five Percent (25%).
 - ii. On or before April 10, 2026, at least Fifty Percent (50%) of booth space costs must be paid.
 - iii. On or before August 1, 2026, any remaining balance due on booth space must be paid. Any payments, regardless of what it is to be applied to, that is sent after December 31, 2026, must be made by credit card or sent by bank electronic wire transfer to NSSF's bank. All bank fees incurred will be the responsibility of Exhibitor.
- F. Exhibit Space Changes.** Changes or modifications to exhibit space, including, without limitation, booth size, configuration or location, following submission of an Exhibitor Application are prohibited without the prior written approval of Show Management. Approval may be withheld in Show Management's sole discretion. Show Management reserves the right to assign and change booth space upon written notice to Exhibitor.
- G. Refunds Due to Exhibitor Cancellation, Withdrawal and Downsizing.** Withdrawal from the Show or cancellation of all or a portion of any exhibit space by Exhibitor must be made in writing to Show Management. The issuance of refunds is subject to the sole discretion of Show Management. If approved, the refund schedule below shall apply. Refunds are calculated from the date that written notification of cancellation is received by Show Management and without regard to when Exhibitor submitted its booth space application or other extenuating factors. Refunds and liquidated damages are based on full exhibit space fee and not the deposit. Exhibitors canceling a portion of their booth space cannot apply deposits for the canceled portion to the remaining space. Show Management shall not be liable for interest on any amount refunded. Exhibitor is responsible for any fees associated with withdrawal from the Show or booth cancellation. Refunds cannot be applied to exhibition at future Shows.
- i. Effective following Exhibitor's application and license of booth space, through April 10, 2026, Show Management shall retain 25% of the booth fee of each space canceled, as liquidated damages.
 - ii. Beginning April 11, 2026, through August 7, 2026, Show Management shall retain 50% of the booth fee of each space canceled, as liquidated damages.
 - iii. No refunds are given after August 7, 2026, for any reason whatsoever, even if the show is sold out.
- H. Sponsorship/Advertising.** All advertising insertion orders must be paid in full prior to the installation of Exhibitor's display and are non-cancellable and non-refundable. No credits will be given for advertising paid for but cancelled. In the event Exhibitor withdraws or cancels its participation in the Show, Exhibitor shall be responsible for full payment of all advertising. Management reserves the right to reallocate such advertising space at its discretion. All advertisements are subject to approval by Management, in its sole discretion. Exhibitor agrees that Management shall not be liable in the event of any errors or omissions in advertising or in any promotional material. Management reserves the right to offer new products or positions throughout the show cycle.

4. ELIGIBILITY

Show Management reserves the right to determine and verify the eligibility of Exhibitors and their products and services at any time. Ineligible Exhibitors and products and services that are found to be in violation of Show Rules

and Regulations, or that do not otherwise meet Show objectives, as solely determined by Show Management, shall be prohibited.

- A. Exhibitor Categories.** To exhibit at the Show, Exhibitor must fall within at least one of the following Exhibitor Categories:
- i. **Manufacturers.** Manufacturers are companies that have products to display which are manufactured, packaged or marketed under Exhibitor's proprietary trade style or brand name. Companies that exhibit as a Manufacturer can only display those products for which they are the manufacturer and exclusive rights holder for distribution of the product(s) in the United States.
 - ii. **Authorized Distributor.** A company that is authorized by contract or agreement to sell a particular proprietary brand of products in the United States shall be considered an Authorized Distributor. Authorized Distributors must provide Show Management documentation to substantiate their authorized distributorship arrangement in advance of the Show. Show Management has the unilateral right to terminate the Agreement of an Authorized Distributor, at any time, if the Authorized Distributor fails to provide such documentation to Show Management that is valid through the 2027 Show. Only those products, brands, trade names, logos or intellectual property for which the Authorized Distributor has U.S. distribution rights may be exhibited, promoted, or displayed in the exhibit. Products, services or brands for which an Exhibitor is not an authorized reseller may not be displayed, referred to in line cards, catalogs, signs, flyers or brochures, or depicted anywhere in the exhibit.
 - iii. **Service Providers.** Service providers may exhibit and promote only those services provided to, or for, the industry served by the Show.
- B. Display/Product Guidelines and Restrictions.**
- iv. **Laws & Regulations.** Exhibitor and Exhibitor Representatives shall comply will all federal, state and local laws and regulations applicable to the display and promotion of its products and services and other activities conducted at the Show.
 - v. **Intellectual Property Rights Infringement.** The Show is committed to the principle that intellectual property rights (IPR) are to be respected. To this end, Show Exhibitors may only display products and services they own, or that they are properly licensed to promote. It is the responsibility of intellectual property rights owners to take the necessary actions before, during and after the Show to protect their IPR. The Show does not provide intellectual property rights protection services and except in exceptional circumstances does not intervene in IPR disputes. Show Management can provide Exhibitors with resources that may assist in protecting their IPR. Of course, the Show will respect lawful court orders and injunctions, as well as instructions from law enforcement. Any Exhibitor desiring to serve legal papers upon another Exhibitor must abide by these procedures, and are not permitted to serve such papers in the exhibit halls or public areas of the Show and should contact Show Management in advance of any papers being served to facilitate such actions and ensure compliance with the Show's rules.
 - vi. **Show Sections.** Certain Sections of the show are limited to the exhibition of those products and services which are associated with the Section category. These Sections are as follows:
 - A.** Law Enforcement;
 - B.** ArcheryOther categories may be exhibited anywhere else on the Show floor, in accordance with these Rules.
 - vii. **Firearms Eligibility:** Any firearm that may be legally sold by a federally licensed firearms dealer (i.e., a Type 01 Federal Firearms Licensee) may be displayed in the Show, subject to specific exceptions noted below. Firearms and other items which require a licensee to hold a Special Occupational Tax stamp (SOT) pursuant to the National Firearms Act (NFA) may be displayed, however items which meet the definition of a "machinegun" under the NFA must be displayed with signage indicating that it is for "Military/Law Enforcement Only."
 - viii. **Firearms Inspection.** Any firearm brought into the Show must be inspected for safety to ensure it is completely deactivated (e.g., firing pin removed or shaved making it inoperable) as specified in Section 5.B. below. As a convenience to Exhibitors, SHOT Show Safety Advisors will visit each booth prior to the first Show day to inspect and tag all firearms. Any firearm (i) entering the Show on the last day of setup and/or after the safety inspection has taken place, or (ii) which has otherwise not

been inspected, must be brought to the Safety Advisors Office for inspection and tagging. Firearms should be carried to the Safety Advisors Office in an enclosed case for security purposes.

- C. **Prohibited Products.** The following specific products, among others, may not be displayed or appear in booth graphics or marketing material distributed at the Show, or be anywhere at the Show.
- i. **Personal Firearms and Ammunition.** Per Facility policy, personal firearms and ammunition are prohibited in the Facility. This includes the display of personally owned guns and ammunition. **EXCEPTIONS ONLY FOR ACTIVE ON-DUTY LAW ENFORCEMENT.**
 - ii. **Used/Pre-Owned Firearms.** Used or pre-owned firearms and accessories, regardless of condition and whether or not remanufactured, including military surplus firearms whether historic or of current manufacture. Notwithstanding the foregoing (i) any Exhibitor who desires to exhibit remanufactured firearms may do so upon prior written approval of Show Management, provided that any such firearms are remanufactured to a like-new, factory condition, and are marketed for sale to retailers, and (ii) any Exhibitor who intends to market a newly manufactured accessory item at the Show, such as a magazine, stock, mount, optic, or similar item, may display that item on a curio and relic firearm, provided that the firearm is restored to new condition and that the firearm itself is not being marketed for sale.
 - iii. **Import Restricted and Disguised Firearms.** Firearms and accessories prohibited from import into the United States; firearms disguised to look like something other than a firearm (e.g., cane guns, pen guns, "cell phone" guns, wallet guns, and buckle guns).
 - iv. **3D Printing Materials.** 3D printed firearms, and/or materials promoting personal 3D printing of, firearms and components (including plans, drawings or software therefor) (a/k/a "printing at home"). Notwithstanding the foregoing, Companies selling 3D printers and/or 3D printer technology or material for use by manufacturers in the manufacturing process may be eligible to be exhibited in the Supplier Showcase, and Exhibitors may display products made, either partially or completely, via 3D printing only if such products are intended for sale to retailers for resale to consumers.
 - v. **Military Paraphernalia and Surplus Equipment.** Military paraphernalia items, including, but not limited to: banners, boots, buckles, buttons, campaign caps, daggers, helmet liners, insignia, leggings, medals, military helmets, packs, rank insignia, ribbons, uniforms, and web or leather belting. All military replica or war surplus items including, but not limited to: ammo pouches, bayonets, canteens, clothing, dishes, military range equipment, rings, and silverware. Also prohibited are anti-aircraft and anti-tank weaponry, grenade launchers and rocket propelled grenade launchers (RPGs), and flamethrowers (except such devices designed and marketed solely for wildfire control/land management purposes). This prohibition shall not be construed as prohibiting the exhibition of equipment of current manufacture which is marketed and sold both to military or civilian customers, such as clothing and accessory items, or items of current manufacture which are produced for the military market and being marketed to such customers.
 - vi. **Miscellaneous Items.** Additional prohibited items include, but are not limited to: blackjacks, boot knives, brass knuckles, resin knuckles, cat-shaped knuckles/spikes, other spiked knuckles/personal defense weapons, buckle knives, cane knives, darts, flags, flamethrowers (with exceptions only for such products which are designed and marketed solely for wildfire control/land management purposes), kits or devices for converting semi-automatic firearms to fully automatic (so-called "machinegun conversion devices"), maps, martial arts weapons, star-shaped throwing weapons, wallet knives, and swords of any type, or devices such as auto sears.
 - vii. **Non-Exhibiting Manufacturers Products and Services.** Except for Authorized Distributors, Exhibitors may not display products or services of non-exhibiting companies or otherwise promote such non-exhibiting companies, unless otherwise approved.

5. PRODUCT SAFETY & PROHIBITIONS

- A. **Ammunition and Propellants.** No live ammunition, ignitable powder, live primers, primer carriers, or percussion caps will be allowed in the Show, with the exception of live fire trailers operated by Show Management's selected contractor, in which case all ammunition shall be handled in accordance with the specific rules of these areas.

- i. All dummy center-fire type ammunition must have a hole (min.060 inches in diameter) drilled through the primer at the point where the firing pin would impact (or have no primer inserted in the pocket).
- ii. All primers and percussion caps must be obviously deactivated and must have a hole (min.060 inches in diameter) drilled through the cap at about where it would be struck by the firing pin or hammer.
- iii. All dummy rim-fire-type ammunition must have a hole (min.060 inches in diameter) drilled through the base of the shell.
- iv. Primers which have been deactivated by firing must have a hole (min.060 inches in diameter) drilled through the base of the shell.
- v. Black powder breech-loader primer carriers are not allowed in the exhibit hall at any time.

B. Firearms.

- i. Firearms must be rendered incapable of firing or discharging any cartridge, shell, round, or load in a manner identified in Section 5.C or 5.D. This rule equally applies to Exhibitors of component parts (e.g., firing pins/strikers) that may utilize firearms to demonstrate their products
- ii. A trigger lock or any device, material or mechanism designed to limit or impede the functioning or operation of the action is not an acceptable method of making a firearm inoperable.
- iii. Sections 5.C and 5.D describe the only methods approved by Show Management for rendering firearms inoperable. No other methods of rendering firearms inoperable will be permitted by Show Management unless otherwise determined in writing by Safety Advisors.
- iv. Actions must be capable of being opened to permit inspection of the chamber to determine whether it is loaded.
- v. All firearms must be properly secured after Show hours by either returning them to a Secured Storage location, or if left in an Exhibitor's booth, by properly securing the firearms through one of the following methods: (a) the use of overnight security guards who remain in the booth space at all times, or (b) locking the firearms to the Exhibitor's display stand(s) in a manner not susceptible of being readily removed in an unauthorized manner.
- vi. Any real or simulated discharge of firearms with an audible report is strictly prohibited. This prohibition applies to firearms on display or used in live demonstrations at the show.
- vii. Recorded or televised broadcasts featuring firearms that produce an audible report (e.g. hunting or shooting shows) must be kept at a reasonable volume so as not to inconvenience, annoy, endanger, or interfere with the rights of other Exhibitors and visitors or impede or obstruct the operation of the Show. Show Management reserves the right in its sole discretion to determine acceptable sound levels.

C. Carbine, Rifle and Shotgun Inoperability

- i. Conventional smokeless powder-type carbines, rifles, and shotguns must be rendered inoperable before being brought into the exhibit hall in one of the following ways: by removal of their firing pins/strikers, or by shortening their firing pins/strikers so they cannot contact the primer or any surface of fixed ammunition that can be chambered in the firearm.
- ii. This inoperability requirement equally applies to any component parts of a carbine, rifle, or shotgun which contain a firing pin or striker (such as an upper receiver, action, or bolt carrier), even if these component parts are not assembled into a complete firearm.
- iii. Black powder percussion-type carbines, rifles, and shotguns must be rendered inoperable before they are brought into the exhibit hall by removal of their percussion cap nipple(s) or blocking each nipple orifice.
- iv. Black powder flintlock-type carbines, rifles, and shotguns must be rendered inoperable before they are brought into the exhibit hall by removal of their flints.
- v. Black powder breech loading carbines, rifles, and shotguns must be rendered inoperable before they are brought into the exhibit hall by removal of their primer carriers.

D. Handgun Inoperability

- i. Conventional smokeless powder-type handguns must be rendered inoperable before they are brought into the exhibit hall in one of the following ways: by removal of their firing pins/strikers, or by shortening their firing pins/strikers so they cannot contact the primer or any surface of fixed ammunition that can be chambered into the firearm.

- ii. This inoperability requirement equally applies to any component parts of a handgun which contain a firing pin or striker, even if these component parts are not assembled into a complete firearm.
- iii. Black powder percussion-type handguns must be rendered inoperable before they are brought into the exhibit hall by removal of their percussion cap nipple(s) or blocking each nipple orifice.
- iv. Black powder flintlock-type handguns must be rendered inoperable before they are brought into the exhibit hall by removal of their flints.
- v. In addition to rendering handguns safe, while on display, handguns shall be affixed permanently, by means of chains or aircraft cable (not over 3 feet in length) to the Exhibitor's counter, to its back or to a display island or stand to prevent potential theft. Nothing shall prevent Exhibitors from employing higher levels of security.

E. Non-Powder Actuated Guns

- i. Because it is difficult to deactivate Non-Powder Actuated Guns, they will be exempt from deactivation requirements. However, no gas (CO2 or air) cylinders, except those which are empty and drilled or punctured, will be allowed in the Show, except for those limited exceptions detailed in Sections 5.E.IV. and 5.G. below. If a cylinder is placed in a Non-Powder Actuated Gun (e.g., an Airsoft gun, pellet gun, etc.), it must be immediately obvious upon inspection that the cylinder has been deactivated.
- ii. Pellets, "BB's" or projectiles of any type for Non-Powder Actuated Guns, which are on display must be affixed or glued down to containers or packaging so that individual projectiles are not loose or available to be chambered. When boxes and containers for projectiles are on display, they must either be empty or completely sealed. Opening the container and pouring a clear epoxy over the contents or using superglue to seal the lid on the container are acceptable methods of sealing.
- iii. Any real or simulated discharge of Non-Powder Actuated Guns is strictly prohibited except as follows: This general rule shall not apply when Non-Powder Actuated Guns are used in connection with secure, temporary, free-standing and fully enclosed shooting galleries or transparent, shatterproof shooting containers. Both shooting galleries and shooting containers must capture projectiles shot within the structure (i.e., projectiles shall not escape the enclosed structure at any time). Shooting galleries and shooting containers must be pre-approved by Show Management and shall be subject to inspection during the Show. Only plastic BBs, plastic pellets or other plastic projectiles shall be permitted.
- iv. Approved shooting galleries and shooting containers shall be located so as not to interfere with or prevent access to other exhibits, obstruct or create congestion in aisles or otherwise unreasonably interfere with the Show. Shooting galleries and containers must fit within Exhibitor's booth space. Under no circumstances will shooting galleries or containers over 300 square feet be permitted at the Show. Non-Powder Actuated Guns must be affixed or tethered to the shooting gallery or container in such a manner so that the tips of their barrels are at all times pointed down range or located inside the container. Shooting activities are subject to all reasonable restrictions imposed by the Show. Show Management reserves the right to impose additional restrictions. Shooting activities may be temporarily or permanently closed by Show Management at any time. Projectiles and gas cylinders which are used in approved shooting galleries must be kept under the positive control of an Exhibitor Representative tasked with manning the shooting gallery and shall not be allowed to be removed from the shooting gallery during Show hours. Once empty or expended, all gas cylinders must be removed from the Show or drilled to conform with the requirements herein. Exhibitors shall ensure that any gas cylinders are completely empty and safe for drilling before conducting drilling within the Show premises.
- v. Shooting gallery and shooting container designs, plans, drawings and pictures must be reviewed and approved by Show Management prior to the show. Exhibitors should submit an Exhibit Design Notification through the Exhibitor Resource Center at shotshow.org/ERC.

F. Paintball Markers (Guns) & Accessories

- i. Any real or simulated discharge of paintball markers is strictly prohibited.
- ii. Paintballs and Projectiles: Loose paintballs or projectiles of any type are not allowed in the exhibit hall. When boxes and containers of projectiles are displayed, they must be either empty or completely sealed. Opening the container and pouring a clear epoxy over the contents or using superglue to seal the lid on the container are acceptable methods of sealing.

- iii. Miscellaneous Items: Grenades, claymores, mortars and any other items containing paint and/or compressed gas or any other type of propellant must be made or rendered inoperable. Compressed gas must be removed and the cylinder drilled as indicated below. Any other propellant must be removed. Paint must be removed (you may replace the paint with water).
- G. **Gas Cylinders.** Gas (CO2 or air) cylinders, except those which are empty and drilled or punctured are not allowed in the Show, subject to the exceptions herein. If a cylinder is attached to an air gun or paintball marker, it must be immediately obvious upon inspection that the cylinder has been deactivated. Active gas cylinders are permitted in the Show for use only by Exhibitor with an approved Non-Powder Actuated Gun shooting gallery, or who may have non-firing demonstrator devices that simulate operation through the use of compressed gas, or who exhibit non-firing training devices that simulate blowback or recoil through the use of compressed gas. Any gas cylinders brought into the Show by such Exhibitors must be kept under the positive control of an Exhibitor Representative at all times, may not be removed from the Exhibitor's booth space, and once empty or expended must be removed from the Show or drilled to conform with the requirements herein.
- H. **Blow Guns.** All blow guns must be sealed and/or firmly and permanently fixed in original packaging so that the blow gun may not be removed or be firmly and permanently "plugged" at the nozzle making the blow gun incapable of shooting a projectile.
- I. **Bows and Arrows.** All arrows must be sealed and/or firmly and permanently fixed in original packaging so that individual arrows may not be removed, or firmly and permanently fixed to the display in such a way as to prevent their being fitted into a bow, or at least one side of the nock must be removed, rendering the arrow incapable of being shot from a bow.
- J. **Crossbows.** Crossbow strings must be "fixed" using a cable tie so as to be incapable of movement or have arrow track blocked so that an arrow cannot be loaded into the cross bow and propelled.
- K. **Chemical Defense Sprays.** All canisters must be empty and disabled by drilling a hole (min .060 inches in diameter) through the base.
- L. **Stage Props and Blank Guns.** Stage props and blank guns must have their firing pins removed.
- M. **Stun Guns & Tasers.** Manufacturers are permitted to display such products, however any such devices in the Show must be inert, cannot be charged, and may not be used for demonstration purposes whatsoever, except with the prior written approval of Show Management. **DEMONSTRATIONS ON LIVE SUBJECTS ARE COMPLETELY PROHIBITED, NO EXCEPTIONS.**
- N. **Firearm Training Devices.** Firearm training devices which incorporate, or require the use of, a firing pin or striker that could be utilized in a functional firearm, must have such firing pins or strikers removed when on display. Exhibitors which desire to demonstrate such products with the firing pin or striker installed must receive pre-approval from Show Management prior to Show opening.

6. EXHIBIT SPACE ASSIGNMENT

- A. **Space Selection Process.** After the published deadline for submitting the Exhibitor License Agreement, the Exhibit Space Selection Order will be completed to determine each company's selection time. Selection times are assigned in the following order:
 - i. NSSF Patron Members by priority points
 - ii. NSSF Supporting and Associate Members by priority points
 - iii. Non-members by priority points.

Supplier Showcase Exhibitors that submit their Exhibitor License Agreement by January 23, 2026, will retain the right to renew their exhibit location from the 2026 Supplier Showcase, provided however that such Exhibitors also have the ability to request a new location during the space selection process for the 2027 Supplier Showcase.

Show Management may consider, but will not be bound by, an Exhibitor's priority points or an Exhibitor's booth requests. Show Management may suspend or discontinue the Show's space selection process and/or modify space selection rules at any time. The method of determining space assignment is established by Show Management and may be changed from time to time without notice to Exhibitors in

order to accommodate that which Show Management determines as being in the best interest of the Show.

- B. Priority Points.** The Show's priority point system is designed to recognize Exhibitors that support the Show by offering them priority in the selection and assignment of booth space. Priority points are accumulated based on the number of consecutive Shows an Exhibitor exhibits at, the number of square feet of booth space an Exhibitor purchases, sponsorship spend, and the timely payment of Show fees and costs. All Show priority points are retained by an Exhibitor from year to year provided the Exhibitor has exhibited in every consecutive show. If an Exhibitor cancels or withdraws from a Show or misses a Show, the Exhibitor shall forfeit all priority points accumulated up to and including the current Show. Show Management shall have sole discretion to penalize Exhibitors who violate Show rules including by stripping them of some or all of their priority points. While Show Management will make every effort to accommodate an Exhibitor's booth preferences, the awarding of Show priority points and assignment of booths (including relocation requests) are at Show Management's sole and absolute discretion.

Show Management may, in its discretion, change or cancel the Priority Point system and rules at any time without notice. This means that the accumulation of priority points does not entitle Exhibitors to any vested rights with respect to said points or their benefits. Priority points are not an asset of Exhibitor and are non-transferable (however, if an Exhibitor's company is purchased or otherwise acquired, Show priority points may transfer to the acquiring company at Show Management's sole discretion). Exhibitor points may be withdrawn or reduced at any time. Show Management may, among other things, (i) withdraw, limit, modify, or cancel any points; (ii) change points benefits, rules for earning, retaining or forfeiting points; (iii) rename or redefine program elements or benefits. Show Management may make any one or more of these changes at any time even though such changes may affect points that you have already accumulated. Show Management reserves the right to end the Priority Point system at any time for any reason without notice.

- C. Section Qualification.** To qualify for a particular Show section (i.e., the Law Enforcement or Archery Sections), a minimum of 75% of the product or services on display and the marketing materials being distributed must be specific to that section.
- D. Floor Plan.** Show Management reserves the right to rearrange Exhibitors or adjust the floor plan to accommodate the best interest of the Show. The floor plan maintained by Show Management shall be the official floor plan. Changes may occur at any time to accommodate Show needs.
- E. Booth Change Requests and Process.** Post Space Selection, in order to be assigned a new booth if one becomes available, an Exhibitor must be current in accordance with their given payment plan for all exhibit fees, membership dues and sponsorship payments, and priority is given first to Patron Members, by priority points, then Supporting or Associate Members, by priority points, and then all non-NSSF members by priority points.
- F. Sharing or Subletting Booth Space.** See paragraph 12 of the License Terms.

7. OPERATION AND CONDUCT

- A. Exhibitors and Exhibitor Representatives.** Exhibitors and Exhibitor Representatives shall conduct themselves in a professional business-like manner at all times and comply with all applicable Show rules concerning their conduct, including the following rules. Failure to abide by show rules will result in penalties, up to and including a permanent ban from attending the Show.
 - i. Attendants, employees, models, and other Exhibitor Representatives must confine their activities to their licensed exhibit space and may not engage in solicitation or promotional activities outside their booths. It is recommended that business meetings occur within contracted booth space to ensure privacy and to avoid the appearance of suitcasing/outboarding.
 - ii. Exhibitors and Exhibitor Representatives may not enter the exhibit space or loiter in the area of another Exhibitor without permission from that Exhibitor, and at no time may anyone enter an exhibit space that is not staffed.
 - iii. Exhibitors and Exhibitors Representatives shall not photograph or video an exhibit or product of another Exhibitor.

- iv. NO loud, abusive or defamatory language, harassment, or other unprofessional or inappropriate behavior at NSSF events (including SHOT Show), in communications with SHOT Show staff or on SHOT Show digital platforms.
 - v. Exhibitors and Exhibitor Representatives may not register or otherwise assist non-qualified attendees in gaining admission into the Show.
 - vi. Exhibitors and Exhibitor Representatives may not rent meeting rooms from management for use by any other entity during the Show, absent management approval. Meeting rooms are for the exclusive use of the Exhibitor who made the reservation with Management.
 - vii. Any Exhibitor desiring to serve legal papers upon another Exhibitor are not permitted to serve such papers in the exhibit halls or public areas of the Show and should contact Show Management in advance of any papers being served to facilitate such actions and ensure compliance with the Show's rules.
 - viii. Exhibitor Representatives shall be restricted to Exhibitor's employees and authorized representatives. Exhibitor Representatives shall at all times wear badge identification furnished by Management. Management may at any time limit the number of booth representatives. Exhibitor's booth must be staffed by Exhibitor Representatives during all hours the Show is open.
 - ix. Exhibitors may not permit or host representatives from third party companies, who then represent themselves as a representative of such third party, without Show Management approval. For example, a vehicle manufacturer that is not exhibiting at the show is not permitted to have its own representative in a booth, and the company may not promote the product in the booth or elsewhere, unless that vehicle manufacturer is an Exhibitor of the show or it is approved in advance by Show Management.
- B. Attire.** All Exhibitor Representatives must wear appropriate apparel at all times. This requirement prohibits, among other items, bathing suits, thongs, lingerie, exceedingly short skirts, painted bodies and transparent apparel. Business or business casual attire is recommended. Exhibitors who are uncertain with regard to compliance with the appropriate attire and entertainment regulations are encouraged to consult with Show Management in advance of the Show. Clothing shall be respectful to fellow attendees. Clothing shall not contain any message that may be considered offensive or contain nudity, profanity, or sexual innuendo/suggestion. In addition, clothing and accessories should not promote negative ethnic or racial commentary, or hatred or violence in any form.
- C. Suitcasing.** Show Management considers "suitcasing" to be unethical business conduct and strictly prohibits this practice at the Show. "Suitcasing" refers to the parasitic business practice of companies or persons who gain access to the Show as attendees but "work the aisles" from their suitcase (briefcase), e.g., displaying product, soliciting business from other attendees and Exhibitors. Exhibiting companies are encouraged to protect their investment by reporting actual or suspected violations of the Show's suitcasing rule immediately to Show Management.
- D. Outboarding.** Show Management considers "outboarding" to be unethical business conduct and strictly prohibits this practice at the Show. "Outboarding" refers to the parasitic business practice of non-exhibiting companies who set up exhibits or events at off-site locations during the period of the Show, such as hotel hospitality suites or nearby restaurants, and encourage attendees to leave the Show and spend time with them. The only legitimate place to conduct business during the Show is within a contracted exhibit space on the Show floor. Only registered Exhibitors and sponsors of the Show are allowed to conduct hospitality events during the period of the Show. Hospitality functions away from the Show shall not open before 5:30 p.m. each Show day. Hospitality functions at the Show Facility can start at 5:00 p.m. Exhibiting companies are encouraged to protect their investment by reporting actual or suspected violations of the Show's outboarding rule immediately to Show Management.
- E. No Advertising Outside Exhibit Space.** Exhibitor Representatives shall not post or exhibit any signs, advertisements, show bills, lithograph posters or cards of any kind on or in any area of the Show, except within the Exhibitor's booth space and upon such space as is made available for such purposes by Show Management. Nothing can be affixed to the walls, columns, carpet, concrete or pavement, nor can anything be projected on space or areas beyond Exhibitor's booth space without written permission.
- F. Booth Noise.** Music or noise emitting from the exhibit space cannot exceed 75 decibels or be at volume that in the sole judgment of Show Management creates an unreasonable interference with the ability of

other Exhibitors to conduct business in their booth. Exhibitors receiving requests from Show Management to reduce the music volume or noise level must conform immediately to the request or be subject to having the power to the sound system disconnected. If after receiving a second warning that they are in violation, the power to the sound system will be disconnected for the remainder of the day. If there is a third violation, the power will be disconnected for the remainder of the Show.

- G. Promotional Activities & Items.** Management retains sole discretion to approve, control, or prohibit what, where and when promotional activities may occur and the types of promotional items that may be distributed. Exhibitors should be mindful of TSA's list of prohibited items when selecting promotional giveaways. The right to distribute or broadcast advertising, marketing and promotional information and items of any nature in Show hotels during the Show is reserved to Show Management. Exhibitor shall not independently engage in or make arrangements with the Facility or Show hotels to conduct such activities. Any information or items to be distributed or broadcasted are subject to separate license issued by Show Management in its sole discretion.
- H. Objectionable Exhibits.** Show Management reserves the right to restrict exhibits which are objectionable because of noise, glaring or flashing lights, conducted activities, method of operation, or any other reason, and also to prohibit or evict any exhibit which in the opinion of Show Management detracts from the general character of the Show or jeopardizes Show safety, at Exhibitor's sole expense. This reservation includes persons, things, conduct, printed matter or anything Show Management judges to be objectionable in its sole judgment. In the event of such restriction or eviction, Show Management shall not be liable for any refunds or reimbursements of any amount paid to the Show or any third party. Exhibitor hereby expressly waives any right and all claims, actions or demands for damages, costs and expenses, including without limitation, legal fees, lost profits, and costs of goods sold, against the Facility, Show Management, or their directors, officers, employees, contractors and/or other authorized representatives for such restriction or removal.
- I. Business Licenses, Permits, and Authorizations.** See Paragraph 13 of the License Rules.
- J. Food and Beverage.** Alcoholic beverages may not be served within an Exhibitor's exhibit space without written consent from Show Management. Alcoholic beverages may not be served during exhibit move-in or move-out under any conditions. The official Facility caterer must provide food and/or beverage items served within an Exhibitor's exhibit space. Preparation of food within the contracted exhibit space is prohibited. Exhibitor cannot bring into the Facility any food or beverages of any kind, without the prior written permission from the Facility's official caterer.
- K. Electrical and Lighting.** Electrical equipment and wiring require evidence of testing and approval by a nationally recognized testing laboratory and must conform to the electrical codes and regulations as indicated in the Exhibitor Display Rules. Electrical power and full lighting will be supplied to exhibits 7:30am – 5:30pm (4:00pm on last show day) on show days. Full lighting is provided 2:00pm – 5:00pm on the last day of setup.
- L. Inspection.** All displays will be inspected during move-in days for compliance with the Show's Rules and Regulations and any exhibit modifications required by Show Management shall be made prior to Show opening at Exhibitor's sole expense. If modifications are not made by Exhibitor, Show Management will instruct its official contractors to make any necessary adjustments, at Exhibitor's sole expense. Moreover, Exhibitor shall be responsible for all costs associated with ensuring any activities and displays it may have inside or outside the Facility are safe and regularly inspected throughout the duration of the Show. Show Management shall not be responsible for any damages whatsoever should an activity or display be terminated or removed by Show Management.
- M. Insurance.** See Paragraph 20 of the License Terms.
- N. Prohibited Equipment / Materials / Chemicals.** Exhibitor will not put up or operate any engine or motor or machinery on the premises, excepting normal equipment utilized to set up and dismantle exhibits, or use or store oils, burning fluids, camphene, kerosene, naphtha or gasoline for either mechanical or other purposes, or any agent other than electricity for illuminating purposes.
- O. Hazardous Materials.** Harmful or noxious odors or fumes must be negligible and contained within the display. Hazardous materials are prohibited unless approved in writing by Show Management. Exhibitor is responsible for the proper care, handling, security, removal, and disposal of all hazardous materials entered upon Show premises by Exhibitor, as required by current Environmental Protection Agency or

other applicable standards in effect at the time of occupancy. Disposal of hazardous materials or toxic waste must comply with all city, state, and federal laws.

P. Damages. See Paragraph 14 of the License Terms.

Q. Intellectual Property Rights.

- i. The “SHOT Show[®],” “SHOT[®]” and “Shooting, Hunting and Outdoor Trade ShowSM” names, logos and images are trademarks or registered trademarks of the National Shooting Sports Foundation, Inc[®] (the “SHOT Show Trademarks”). Subject to the SHOT Show Trademark Branding Guidelines, Exhibitor is granted a non-exclusive, royalty-free, revocable license to use these trademarks in their advertising and marketing materials, including websites, to promote their Show participation through the last date of the Show to which such license pertains. SHOT Show Trademarks shall not be used on any items for sale or distributed in exchange for other consideration, or in any manner that expresses or implies that the Show or Show Management endorses, sponsors or otherwise supports Exhibitor’s activities or products. Use of SHOT Show Trademarks by licensees and other authorized parties shall adhere to the following rules: (a) SHOT Show Trademarks shall only be used in the form and manner as prescribed by the NSSF (See SHOT Show Trademark Branding Guidelines); (b) SHOT Show Trademarks shall always bear the correct trademark symbols (i.e., [®], SM, TM); (c) When using a SHOT Show trademark, the appropriate symbol shall appear after the first and most prominent use of the mark (if the trademark is repeated several times, it is not necessary to continue using the symbol with the trademark); (d) SHOT Show Trademarks shall not be used in any manner that expresses or implies, or could be construed to express or imply, that the NSSF or the SHOT Show is affiliated with or endorses, sponsors, certifies, or otherwise supports third party products, services, or opinions; and (e) SHOT Show Trademarks shall not be used in any manner that might harm the NSSF’s reputation or goodwill or the NSSF’s ownership rights in the SHOT Show Trademarks.
 - ii. As discussed in 4.B.ii above, the Show does not provide Intellectual Property protection services, however Show Management is firmly committed to the laws prohibiting counterfeiting and infringement of the intellectual property rights (e.g., copyrights, trademarks, trade dress, patents, etc.) associated with the products and services that Exhibitors display. In the event it is determined by either Show Management, in its sole discretion, or a court of competent jurisdiction that an Exhibitor has violated third party intellectual property rights, the Exhibitor will risk immediate removal from the Show and exclusion from future Shows, in addition to any other sanctions Show Management may impose in its sole discretion or as permitted by law.
- R. Accidents/Incidents.** Any accident or incident involving or occurring in Exhibitor’s booth, or relating to Exhibitor’s Representatives, must be reported to Show Management as soon as possible (i.e., events which result in injury to Exhibitor Representatives, Attendees, or other persons, damage or theft to Exhibitor, Attendee, Show Management, or Facility property, or which require the intervention of security or law enforcement personnel). Show Management will create a report of the incident, and where applicable, provide Exhibitor with a “Theft/Damage Report” or “Injury Report.”
- S. Lotteries, Contests & Games of Chance.** The operation of games of chance during the show, including sweepstakes, raffles, drawings, contests, lotteries; gambling or gaming devices; or tournaments, pools or wagering, whether real or simulated is permitted only to the extent allowed by applicable state and local laws where the Show takes place and only within the confines of an Exhibitor’s booth. Games of chance conducted by Exhibitors prior to the Show shall comply with Show attendee admission and eligibility requirements and rules prohibiting the transfer of show badges. Exhibitors are responsible for all logistics involved with the organization and operation of their games of chance or other promotion, including, without limitation, collecting entries and notifying winners.
- T. Over-The-Counter Sales.** In a concerted effort to dissuade consumers and ineligible persons from entering the Show, no cash sales of any items are allowed. Exhibitors are not permitted to sell products for delivery at the Show, with the sole exception of wholesale transactions in which entire Exhibit inventories are sold to retailers for delivery after Show close on the last day of the Show. Selling samples whereby money is exchanged for product onsite is strictly prohibited. Orders may be taken for future delivery. Product inventory in booths must be of an amount utilized for display only and may not be for delivery or resale at the Show. Any extra inventory deemed by Show Management to be more than necessary or reasonable for display purposes only will be removed by Exhibitor or confiscated by Show Management, at Exhibitor’s

expense. Any Exhibitor found engaging in cash sales during the show may be immediately removed by Show Management, in its sole and absolute discretion. In the event that an Exhibitor is removed for violating this rule, it shall bear the expense of having its booth shut down by the General Services Contractor (pursuant to its fee schedule) and shall be responsible for having security present to secure its inventory while the show is closed. Sales made are subject to state sales tax. Show Management can be held legally responsible for collecting and paying the tax. If Show Management receives a tax bill associated with over-the-counter-sales, the Exhibitor is liable for payment of the tax bill. This applies to all Exhibitors, unless they are placed in the sales area of the show and their sales activities are pre-approved by Show Management.

U. Soliciting Donations. Soliciting donations for any organization is strictly prohibited. Soliciting donations in return for goods is strictly prohibited.

V. Photography/Video/Recording.

- i. No photography, videotaping, or other recordings (collectively, "Photography") of the Show is allowed except by those with valid media badges or as otherwise stated in this paragraph. All photographic rights for the Show are reserved to Show Management. Professional Photography in the Show required by Exhibitors can be carried out at moderate charges by Official Photographers (as designated by Show Management), if desired. Exhibitors wishing to make arrangements for the professional photographing of their exhibit must apply to Show Management. Exhibitors may photograph their own booths, products and activities within their booths for internal marketing purposes only. However, Photography of other Exhibitor booths or products is strictly prohibited and such violations may result in the confiscation of camera or recording equipment in addition to any other action Show Management may in its sole discretion deem appropriate. Exhibitors are encouraged to report violations of this rule to Show Management.
- ii. From time to time, photographs, videos, filming and/or other recordings ("Photography") may be made of the Show by Show Management or third parties contracted by Show Management, which may capture the image, voice, likeness and activities of Exhibitors and Exhibitor Representatives, as well as the presentation of Exhibitors' booths, products, displays and intellectual property ("collectively, "Exhibitor Images"). Exhibitors may not hinder, obstruct, or interfere in any way with such Photography whether by Show Management or others working on Show Management's behalf, and in consideration of being allowed admission into the Show hereby consent to Show Management's Photography and use of Exhibitor's and/or Exhibitor Representative's Images for any reasonable commercial purpose. Exhibitors and Exhibitor Representatives grant Show Management and others contracted by Show Management a non-exclusive, royalty-free, irrevocable, worldwide license to use Exhibitor and Exhibitor Representative Images and assign all rights, including the copyright, in any materials created by or on behalf of Show Management incorporating Exhibitor, and Exhibitor Representative Images without further payment or other consideration.
- iii. All requests by press and news organizations for photography and video footage of the Show should be directed to NSSF's Communications Department.
- iv. No photography or recording of any events run by Show Management is permitted.

W. Music / Photographs / Other Copyrighted Material. Exhibitor acknowledges that any live or recorded performances of music or broadcast of other copyrighted materials, by or on behalf of Exhibitor at the Show must be licensed from the appropriate copyright owner or its licensing agent. Exhibitor represents and warrants to Show Management that it is solely responsible for obtaining any necessary licenses to play or perform such music, or broadcast other copyrighted materials, and agrees to defend, indemnify and hold harmless Show Management from any damages, losses or expenses incurred by Show Management due to Exhibitor's use of such music or copyrighted materials (without limitation to any other rights of Show Management with respect thereto). The proper licenses must be posted in Exhibitor's booth and available for inspection immediately upon the request of Show Management or the appropriate licensing agency.

X. Service Animals. The use of animals for marketing products or services is prohibited at the Show. Only properly identified on-duty ADA recognized service animals or Mil/LE/Fire K-9 are permitted at the Show, and absolutely no corporate branding is permitted on the service animals aside from identification relating to its recognition as a service animal. Only service dogs which are trained to do work or perform

tasks for the benefit of a qualified individual with a disability are permitted. Emotional support animals are not permitted at the Show.

- Y. Sponsorships & Outside Activities.** Sponsorships and activities taking place outside an Exhibitor's booth or outside of the exhibit halls may have rules or guidelines different from those contained in these Exhibitor Rules & Regulations. Unless explicitly stated to the contrary in any sponsorship agreement between such sponsor and Show Management, the terms herein shall govern the rules applicable to such activities.
- Z. Child Policy.** No one under the age of 16 (including infants) shall be admitted onto the show floor. This policy applies to all show attendees including attendees, Exhibitors, and media. Daycare is not provided.
- AA. Remote Controlled Transport Devices.** The use of drones, UAV's, hoverboards, wheeled transport devices, remote controlled vehicles and similar devices are strictly prohibited on the show floor (except for mobility devices required by persons with disabilities). The Show has undertaken reasonable efforts to ensure that the Show will be a safe environment for all visitors, and the prohibition of these devices is consistent with the standards and practices for general safety.

8. MOVE-IN / MOVE-OUT / EXHIBIT INSTALLATION & DISMANTLE

- A. Freight Target Times.** Exhibitors are assigned a specific date and time by Show Management to systematically unload freight at the Show site. Missing this time may result in additional fees for services rendered. However, this does not apply to hand-carry freight. Exhibitors may also ship freight to the General Service Contractor's warehouse, prior to the Show. Any freight received at the General Service Contractor's warehouse will be delivered according to target times. Exhibitors shipping direct to the Show Facility prior to the Show must meet the assigned target time and date.
- B. Material Handling.** All material handling during move-in and move-out, as well as the movement of empty crates and the operation of material handling equipment, must be performed by the General Service Contractor (the exclusive contractor approved by the Facility and Show Management), except as indicated below. The General Service Contractor has the responsibility of managing delivery docks for the smooth and efficient move-in and move-out of the Show. The General Service Contractor is not responsible for any material it does not handle. Exhibitors may "hand carry" material, provided material handling equipment is not used. "Hand carry" Exhibitors may not be permitted access to the loading dock or freight door areas. See the Hand Carry Rules in the Exhibitor Services Manual on www.SHOTShow.org for more instructions and qualifications. All goods and exhibits must be received at designated receiving areas. All goods and exhibits must be specifically marked and all charges prepaid.
- C. Labor.** The Exhibitor agrees to abide by all agreements between Show Management, the General Service Contractor, the Facility, or any of its agents pertaining to using union labor in the exhibit areas, and to abide by all labor regulations as stated in Exhibitor Services on www.SHOTShow.org. Show Management is not liable for changes in union regulations. A labor entity has jurisdiction through a labor agreement with the General Service Contractor for the erection, touch-up painting, dismantling and repair of all exhibits when such work is done by persons other than Exhibitor's full-time company personnel. This work includes wall coverings, floor coverings, pipe and drape, painting, hanging of signs and decorative materials from the ceiling, placement of all signs, and the erection of platforms used for exhibit purposes. The labor entity's jurisdiction does not cover the placement of Exhibitor's products on display, the opening of cartons containing Exhibitor's products, nor the performance, testing, maintenance or repairs of Exhibitor's product. If full-time company personnel are utilized to set up an exhibit, they should carry positive company identification, such as a medical identification card, payroll stub, or have a company payroll report available. This rule prohibits the utilization of workers hired from a non-union agency or company. Exhibitor personnel may set-up the booth, provided the booth, walls, and fixtures can be completed without use of saws, pipe wrenches or power tools. Hand tools, electric drills and screwdrivers can be used for installation. For safety reasons, Exhibitors may not do any installation work that requires standing on a ladder over 30 inches high.
- D. Display Installation Deadline.** Unless otherwise excepted due to late target times, all displays must be in place by 3:00 p.m. on the last move-in day (8:30 a.m. for Supplier Showcase). Display material, cartons and refuse must be removed from the aisles, and empty crates labeled and ready for removal by 3:00 p.m. on the last move-in day (8:30 a.m. for Supplier Showcase).

- E. Late Installation.** If installation of any exhibit has not started by 3:00 p.m. on the last move-in day (8:30 a.m. for Supplier Showcase), then Show Management shall erect the exhibit, and Exhibitor will be billed for and agrees to pay for all charges incurred. Show Management shall not be liable for damages that may occur during this installation.
- F. Space Abandonment.** Any space not claimed and occupied by 3:00 p.m. on the last move-in day (8:30 a.m. for Supplier Showcase), may be resold or reassigned by Show Management, without obligation on the part of Show Management for any refund to the Exhibitor whatsoever. Space abandonment will result in penalties, up to and including a permanent ban from attending the Show.
- G. Removal of Product or Equipment.** The removal of product and equipment prior to Show requires that exhibitor obtain a merchandise removal pass from Show Management. Nothing may be removed on Friday, the final day of the show, between 12:00 p.m. - 4:00 p.m.
- H. Timely Dismantle.** Exhibitor agrees to dismantle display as soon as practical after the end of the Show. If teardown of the exhibit has not commenced by 12:00 noon the day after show close (6:00 p.m. the day of close for the Supplier Showcase), then Show Management shall have the exhibit dismantled at the Exhibitor's expense. Exhibitor agrees to dismantle display as soon as possible if requested by Show Management for a violation of Show rules at Exhibitor's sole expense.
- I. Early Move-out.** Exhibitor shall not initiate move-out or abandon its exhibit prior to the official Show closing time on the final Show day. Space abandonment will result in penalties, up to and including a permanent ban from attending the Show.
- J. Safety Requirements / Smoking.** Exhibitor shall not allow its display to block the view of, or impede access to fire alarm boxes, fire hose cabinets, fire extinguishers, fire strobe lights, or other safety equipment. Smoking is prohibited in the Facility.
- K. Exhibitor-Appointed Contractors (EAC).** An EAC is any contractor not listed in the Exhibitor Services Manual on www.SHOTShow.org as an official SHOT-designated contractor. All Exhibitors using the services of an EAC are responsible for ensuring that the EAC conforms to the regulations included in the Exhibitor Services Manual on www.SHOTShow.org.
- L. Outbound Freight.** All carriers must check-in no later than seven (7) hours prior to your target move-out time. If Exhibitor's carrier does not check-in prior to seven hours before its targeted move-out time, the General Service Contractor will reroute the shipment, at Exhibitors' expense. Exhibitor freight will be sent with an official freight carrier of the General Service Contractor or sent back to the General Service Contractor's warehouse where storage fees will accrue if carrier fails to meet check-in deadline. Freight fees under these conditions are generally greater than those paid inbound by the Exhibitor. Exhibitor further agrees to indemnify and hold Show Management harmless against any and all claims which may arise from the dismantling, including without limitation, damages to the premises, the display or personal injury due to holding over by Exhibitor past its allotted time of occupancy.
- M. Security.** Exhibitor personnel should remain in the contracted exhibit space until Exhibitor's display materials are secured and accepted by the freight carrier or otherwise removed by Exhibitor. Show Management and General Services Contractor assume no responsibility for exhibit material left unattended in the exhibit hall during move-in or move-out. Submission of a Material Handling Agreement to the General Service Contractor does not transfer responsibility to the General Service Contractor. For more information relating to security provided, see Paragraph 20 of the License Terms.

9. EXHIBITOR VIOLATIONS. See Paragraph 9 of the License Terms.
